From bestselling author L.J. Shen, comes a new standalone, enemies-to-lovers romance.

CÃ©lian Laurent.

Manhattan royalty.

Notorious playboy.

Heir to a media empire.

...And my new boss.

I could have impressed him, if not for last month's unforgettable one-night stand.

I left it with more than orgasms and a pleasant memory--namely, his wallet.

Now he's staring me down like I'm the dirt under his Italian loafers, and I'm supposed to take it.

But the thing about being Judith "Jude" Humphry is I have nothing to lose.

Brooklyn girl.

Infamously quirky.

Heir to a stack of medical bills and a tattered couch.

When he looks at me from across the room, I see the glint in his eyes, and that makes us rivals.

He knows it.

So do I.

Every day in the newsroom is a battle.

Every night in his bed, war.

But it's my heart at stake, and I fear I'll be raising the white flag.
